

**FOR IMMEDIATE RELEASE**

**Leigh Strange Joins ICI as Accounting Manager**

**Virginia Beach, Virginia – 19 May 2008** – ICI Services announced today that Leigh Strange has joined ICI Corporate Operations in the role of Accounting Manager. Ms. Strange reports to the Director of Finance and Accounting, Sandra Besora, and will be responsible for payroll and contract accounting functions. Ms. Strange will be located in ICI's Corporate Operations Office in Virginia Beach, Virginia.

Ms. Strange has extensive knowledge of Deltek GCS Premier and other cost accounting systems. "Leigh is a great addition to our team. She has over 15 years experience in increasingly responsible finance and contract positions," stated Sandra Besora. "We need her experience and fresh ideas to support our expanding contract base."

ICI Services, is an 8(a) certified Small Disadvantaged and Veteran-Owned Business providing engineering, logistics, environmental, range and base operating services to the United States Navy, Army, Air Force, Department of Homeland Security and other Federal Government Agencies. Headquartered in Dumfries, Virginia, and founded in 1999, ICI has grown to over 240 employees in locations in 15 states. ICI has been named in *Entrepreneur Magazine's* Hot 500 for 2007 annual ranking of America's fastest-growing businesses.
